

## Qi-Mag® Feng Shui Projekt `Eyzoa` - centre for alternative healing-methods holistic/medical treatments, Syntagma - Athens, Greece

Aim of plannings and consultation: Creation of `vital`-well-feel-atmosphere in a narrow location. Under consideration of the versatile Criteria's of Qi-Mag® Feng Shui, and applied Geomancy, we accompanied the re-design process of an former office-floor into a therapeutic-place, in the centre of Athens/Greece.

...to provide the patient an atmosphere of relaxation and vitality, allready by entering the location.
