

# Qi-Mag® Feng Shui Projekt Hotel Blue Dolphins, traditional Apartments, Firostefani - Santorini, Greece

Focus: we implemented the versatile Criteria's of Qi-Mag® Feng Shui, and applied Geomancy, into the renovation process of an old hotel-building on the island Santorini. To create a `feel-well` -atmosphere of relaxation and abundance - To increase the quality of concept and design of touristic facilities. with the goal to provide a place for the guest, that suggests recovery, and rest on a holistic level.
