group meditation in the
amphitheatre

golden seal of quality for the first
Vital-Energi™ house/ apartments project
in Greece

discription of the project

a combination of high quality, traditional greek, architectural culture combined with modern standards of quality and the lightness of Qi-Mag® Feng Shui whoever arrives here feels immediately interwoven with the variety of the new era and allows himself to be inspired by the brilliance of the mani's landscape.

at this place, the healing powers of the vitalising water are at work together with the ecological country architecture and the quality standards of Vital-Energi™ Consulting GmbH and applied geomantics. according to their needs, astrology sittings, physiotherapy, chiropracty, relaxation and accupuncture massages, breathing and past life therapies and much more can be organised for the guests

of the building

Seminars

the house is fully usable for seminars and meetings:

- 3 double rooms
- 2 meditation rooms (inside: 32 sqm wooden floor, fireplace, enclosed veranda as front room with 22 sqm) (outside: amphitheatre with marble floor - 72 sqm - with 150 seats)
- an amphitheatre created by the loving hand of a traditional stonemason from the mani. it is suitable both for group work and also for cultural events. The acoustics are excellent!
- outfitted with meditation cushions for groups of up to 60 participants
- seminar kitchen set up like a small, practical, cafeteria.

infrastructure:

- 3 baths, 4 toilets, 1 open-air shower, 3 kitchens, washing machines, internet connections, stereo and home cinema.
- breakfast, half- and full-pension are possible
- For seminars and meetings, there is place for up to 25 people on the premises besides the 3 double rooms, there are comfortable mattresses for in- and outside, sheets and blankets and tenting areas available rooms can be organised nearby, upon request
